GLORIFY GOD AMONG THE NATIONS SEEKING HIM IN ALL GENERATIONS

The 2026 National Day of Prayer theme, "Glorify God Among the Nations, Seeking Him in All Generations," drawn from 1 Chronicles 16:24, calls God's people to lift their eyes beyond the moment and anchor their prayers in both history and hope. Scripture exhorts us to "declare His glory among the nations, His marvelous works among all peoples," reminding us that prayer has always been central to God's work throughout time.

In 2026, we commemorate a powerful convergence—250 years of prayer in America and 75 years of prayer for America. As the 250th anniversary of our nation's founding coincides with the 75th National Day of Prayer, we recognize this as a meaningful and sacred moment in our history, calling believers across the nation to unite in prayer once again.

As we approach the 75th Annual National Day of Prayer on Thursday, May 7, 2026, believers will gather in homes, churches, and communities across the country to seek the Lord together. These resources are designed to help equip and encourage prayer that glorifies God, proclaims His faithfulness, and inspires all generations to seek Him wholeheartedly.

If you would like to sponsor a National Day of Prayer gathering, serve as a volunteer coordinator, or access resources to promote prayer in your church or community, please visit www.nationaldayofprayer.org

STEP 1 - DEVELOP YOUR PLAN

We've created this step-by-step plan to help you and your mobilization team promote the annual National Day of Prayer in your local communities. Whether you hold one large event or multiple smaller events, we have numerous tools and resources available to assist you.

Appoint a coordinator to head up planning and promotion. Assemble a prayer team to support the event with prayer. Together, create a calendar and determine the dates, as well as the times and locations, for your National Day of Prayer events.

STEP 2 - PROMOTE YOUR EVENT

Posters, bulletin or program covers, bulletin inserts, graphics, and announcement copy are available through our web store or for download. We've left space on several of the items so that you can customize with your own church or community information. Outdoor promotional tools such as yard signs, banners, door hangers, and more are available to aid you in reaching out to your neighborhood or to your entire community.

We've also created PSAs, memes for Facebook, and web banners available on our website under media and promotional tools to help you promote in your local media and online.

STEP 3 - HOST YOUR EVENT

Leading up to the event, communicate each week with your groups or congregations by email and social media to invite and remind them of the event taking place. Host your National Day of Prayer Event and gather feedback and testimonies that can then be shared with members of your community or church to encourage them to continue to pray fervently for America!
